Dear Mr. Cochran and Dr. Fisher:

At its meeting on March 15, 2016, the OPTN/UNOS Membership and Professional Standards Committee (MPSC) reviewed all organ allocations by Arkansas Regional Recovery Agency for the period of November 1, 2014 through October 31, 2015, including potential violations of Policies 5.4 (Organ Offers) and 9 (Allocation of Livers and Liver-Intestines).

Based on its review, the MPSC approved the following:

RESOLVED, that the Membership and Professional Standards Committee closes this issue with no action.

The Committee voted 28 For; 0 Against; and 0 Abstentions.

Please be aware that this correspondence and all related documents and information are protected by applicable peer review statutes. Members must keep all information provided in the medical peer review processes and settings confidential. Therefore, all inquiries, deliberations, recommendations, and actions of the MPSC, Board of Directors, other committees, and Regional Review Committees must be kept confidential by members during the review process and after the matter is closed. The Board of Directors may make public certain final adverse actions as outlined in the Bylaws.
