

In Loving Memory

Steven Joe Parker

September 4, 1972 to June 7, 2015

GIVER OF LIFE
THROUGH DONATION

Words of Remembrance

Steven was a loving son, brother, uncle, & friend. His family looked to him for guidance from everything to repairing a refrigerator to preparing special dinners on the grill. Due to Steven's proactive thinking of organ donation while a young man he became a Donor Hero and is making life possible for those in need. We think of you every day, and as much as we want you here, you have been promoted into heaven. We love you always!
