GIVER OF LIFE  
THROUGH DONATION

## Words from the Family

William Allen was the husband of Dineen and father to Garrett Benson and Brennan and Tanner Allen. He loved life and was an avid deer and duck hunter. Comments below are from his wife and kids.

William was the love of my life and made my life complete. He was a wonderful father to our three boys and a husband like no other. William was my best friend and supporter. Life without him is going to be unimaginable, but God will get us through this until that great day when we will meet again.

– Dineen

William was such a good father and friend to so many people. He taught me everything that I know that makes me who I am today from hunting to everything in life. He loved all of us so much, just as we loved him. One day we will meet him again.

– Garrett

I loved to go hunting with my Dad. – Tanner

I want to be an auctioneer when I grow up.
